Elsie Brown Fund Awards \$10,000 to The Arc New London County

NORWICH—The Elsie Brown Fund has again generously donated \$10,000 to The Arc New London County supporting full inclusion for people with intellectual and developmental disabilities (I/DD) and their families in southeastern Connecticut. The Fund, a longtime supporter of The Arc NLC, helps make a wide variety of programs possible, including 14 group residences, employment training and placement, school-to-work transition, in-home supports, a volunteer corps, self-advocacy outreach and Special Olympics. Caring community organizations like the Elsie Brown Fund allow The Arc NLC to provide unique and high-quality programming encouraging optimal independence for people with I/DD throughout the region.
